Hi Shelley,

Attached is a spreadsheet showing the hand wash stations with low soap, paper towel, or water levels.

Today, our team assessed the portable toilets citywide. Attached is a separate spreadsheet showing the portable toilet assessments citywide. The portable toilet assessment spreadsheet indicates conditions such as needs service, paper towel, toilet paper, among others.

The locations were assessed today, April 29, 2020. Please let me know if you have any questions.

Thanks, Shelley!
